

We Love our Furry Four-legged Guests (Pet Guidelines):

First and foremost, pets must be very well-behaved and well-trained furry guests.

- Depending on availability, we accept up to 6 guest pets in the Inn at one time in designated “pet friendly” rooms.
- Pet Friendly rooms must be booked in advance.
- We ask that pets be bathed and groomed before coming to the Inn.
- There is a fee of \$75.00 per stay, per pet.
- Guest pets must be kept on leash and walked off property.
- While the dog owners are not in their room, the dog must be crated.
- Of course, we ask that your pet NOT share your bed and use the dog bed we have placed in the room.
- When guests leave the Inn, the dog must accompany them or be crated in their room. We expect that dogs will not disturb other guests by barking or whining.
- Upon arrival, the pet owner will sign a waiver agreeing to pay for any damages caused or extra-cleaning needed due to the pet.
- We require a cell phone number where we can reach you at all times while you are on-Island. If your dog is not well behaved or disturbs other guests by barking, the Inn does have the right to ask the owners to kennel their dog or leave. If we cannot reach you, we reserve the right to remove your pet from your room. No refunds will be offered.
- Oversized or unusual pets must be pre approved on a case by case basis. We reserve the right to not honor your reservation upon arrival, if a pet owner shows up with a poorly controlled, smelly, disruptive furry friend.
