

- What is the Mansion House doing in regards to cleaning and disinfecting the health club?
  - All areas are disinfected on a regular basis – both by our trained Housekeeping Associates, newly hired Health Club “Hosts” and, hopefully, by each individual member. Wipes and sanitizers will be easily accessible to all who are in the Club.
  
- How is the gym different after the closure?
  - We have put up barriers between cardio equipment & circuit equipment. The weight room has been separated into two rooms – using the current weight room and the Bike Room for space. Although Indoor Cycling classes have been suspended you may still use a few of the bikes that are located in the group exercise room. Space is limited so we ask that you sign-up for classes ahead of time. Please bring your own mat, all other equipment will be provided.
  
- If I am not a member can I still come?
  - Yes, we are accepting new members and walk-ins.
  
- I live with someone high-risk, what are you doing to minimize the risk of Covid Transmission?
  - We are meeting and exceeding all guidelines from the Commonwealth. We have a schedule of constant cleanings and require all members to clean up before and after their use of all equipment.
  
- Do I have to wear a mask or gloves while using the facility?
  - Per order of Governor Baker, masks must be worn at all times while in the Health Club. We do not require gloves.

- Are there group fitness/yoga classes?
  - Yes! We have a limited schedule of morning classes taught by our Fitness Director, Brenda Wallis. Occupancy is limited to five participants plus the instructor to allow for social distancing. Brenda has modified all her classes in order to adapt to wearing a mask while exercising.
  
- How many people can be in the club at a time?
  - We can allow up to 20 people in the Health Club at one time and are booking appointments in one hour increments from 6am to 8pm. At first all signups will be done over the phone, we are in the process of moving our system over to an online system.
  
- Will the pool and hot tub be open? Steam room and Sauna?
  - The pool is open. The hot tub, steam and sauna will remain closed pursuant to state guidelines and restrictions.
  
- I only come to the club to use the shower facilities, are they available?
  - Yes, our locker rooms are now open. You may temporarily use the lockers for storing personal items during your visit. One shower in each locker room is operating.
  
- My family does not feel comfortable coming back to the club right away, can we keep it frozen or get a refund?
  - We understand! Yes. Memberships can remain frozen.
  
- What will the hours of operation be?
  - Hours will return to 6 am to 9pm.
  
- With limitations will there be a reduction of cost for memberships?
  - Our memberships will remain one of the most affordable Health Club memberships on the Vineyard.
